Fort Lauderdale New Concepts

Sunreef's monster Trimaran 210 • New American Motor Yacht Series from Ward Setzer • Impossible Productions Ink's 78-metre • JFA's latest explorer • Nobiskrug 210-metre

There are PANORAMIC views and access to a PRIVATE deck area forward

SUNREEF TRIMARAN 210

Designer: Robert Blazejak, Sunreef Yachts

Why is she so special? Sunreef's range of power and sailing multihulls has been growing ever larger, but the latest Trimaran 210 concept – prepared specifically for a potential client – takes the yard to a new level. Offering an amazing 950 square metres of living space, the 64-metre Trimaran boasts an owner's cabin forward on the main deck, with panoramic views, two study/office

areas, and access to a private deck area forward. An elevator connects all the decks.

Look out for The guest suites on the main deck, all six of which benefit from folding balconies – the perfect place to enjoy sunrise and sunset is from your cabin.

NEW AMERICAN MOTOR YACHTS

Setzer Yacht Architects is introducing a collection of 18 new designs from 28 to 46 metres with the aim of "redesigning long-standing yacht categories". Shown is the 46M Classic Clipper.

IMPOSSIBLE PRODUCTIONS INK

This 78-metre features five pools. There's a main deck pool and an infinity hot-tub aft, while on the deck above, the owner's deck and the sundeck there are glass-bottomed pools.
