## Sanlorenzo SL86 sold through C&N

Hull number 668 will be delivered in July this year to a repeat client

**C**amper & Nicholson's has announced the sale of a Sanlorenzo SL86' new build project, which will be going to a repeat/ longstanding client.

Working in close collaboration with the owner and the Sanlorenzo shipyard team, this yacht has been specified to the highest possible standard and the layout has been considerably customised to suit the Owner's requirements. The interior design and décor will be executed by the

Studio of Laura Sessa, making this SL86' a unique masterpiece.

Sanlorenzo has channelled its decades of experience into the SL86'. Some of the key features of this project include, a custom paint job in grey, a hydraulic swim platform which will carry a large 4.6m Williams Jet tender, a jet ski and water sports garage, a hard top featuring pivoting blades, zero speed stabilizers, MCA compliance and much more. ## Sunreef supreme

### New range revealed

Poland's Sunreef Yachts has created its Supreme Range concept in response to a growing demand for more personalised, comfortable and technologically advanced cats. Imposing living spaces, innovative design solutions and a choice of sail or motor power open a new chapter in the history of the yard. The first unit from the Sunreef Supreme Range will be presented at the Singapore Yacht Show in April. [www.sunreef-yachts.com](http://www.sunreef-yachts.com)
